Section II: This section is for changes in courses only

Subject. Request to change the course number for SWRK 26100: Introduction to Social Work from 26100 to 20100, to modify slightly description and change “Typically offered” indicator.

Justification. Newly numbered SWRK 20100 will be the FYE course for the BA in Social Work. Course already carries the FYE designator. Existing description refers to the “social work concentration” when it should refer to “program”; it is not a concentration any longer.

Use the **Current** and **Proposed** spaces below for course changes only. Otherwise, mark “N/A”
