Section II: This section is for changes in courses only

Subject. (Brief description of proposed change, addition or deletion.)

1. Change the course pattern of BUSM450 Strategic Management Capstone from 2-2-3 to 3-0-3. Remove the Laboratory and Practice Study Observation course type from the catalogue.
2. Remove OLS25200 (Human Relations in Organizations) as a prerequisite course for BUSM45000

Justification. (Briefly list main reasons for proposed change, addition or deletion.)

1. The current 2-2-3 course pattern is not aligned with the setting of this course and creates confusion and inconvenience for students, advisors and staff members when they register for or schedule this course. The course syllabus does not need to be changed.
2. OLS25200 is not offered by College of Business and is no longer in the COB Plan of Study.

Use the **Current** and **Proposed** spaces below for course changes only. Otherwise, mark "N/A"

Current: (Course changes: include entire present catalog information. Leave blank if new course)
